Dear Mayor Larson,

I would like to take this opportunity to thank you, the Council, and your staff for the use of the City Council Chambers for our School Board meetings. The facility is perfectly suited to our needs and provides a space that is comfortable, elegant, and well designed.

I must also add that Jodi Warren and Tiah Branson have been extremely helpful in working with us to schedule our meetings and provide support as needed. Your staff overall have been responsive and their cheerful demeanor is sincerely appreciated. I have appreciated the positive attitude of all of your staff and their willingness to go above and beyond with everything from helping break down tables to providing the podcast recordings of our meetings.

Thank you again for the opportunity to access such a beautiful facility.

Sincerely,

Robert W. Manahan, Ed.D.
Superintendent
Snoqualmie Valley School District
